

## Tower museum

Welcome to the Tower Museum "Auf Schoenburg"

Open from March 15, 2016 till October 31, 2016 from 10:00 am to 6 pm.

The museum is open on all days except Mondays!

The old gate tower tells the visitors about its 700-year history and reveal that Schoenburg was one of the few castles that could really defend in case of emergency !

A great slingshot simulation shows how to knight times they besieged and destroyed a castle.

At the top level of the tower is the observation deck that shows a breathtaking view of the Rhine Valley .

In the museum shop there are large and small souvenirs from the Middle Rhine and books for big and small knights and maidens.

We are looking forward to your visit!
